

BLUE STAR

The little master that
delivers uncompromised
purity every time.

Genia

RO+UV / RO Water Purifier

Genia from Blue Star

Blue Star, India's leading air conditioning and commercial refrigeration company brings you Genia, a cute and compact water purifier for your home. Having quenched the thirst of billions with its range of water coolers and dispensers for over seven decades, Blue Star now introduces a water purifier that combines advanced technologies to give you water at its best. Packed with features such as an Aqua Taste Booster function (ATB), tank-full indicator and high purification capacity, Genia is truly a little master that delivers uncompromised purity every time.
