

**BLUE STAR**

Introducing India's first  
Hot & Cold RO+UV water purifier.

Stella

# Stella from Blue Star

Blue Star, India's leading air conditioning and commercial refrigeration company brings you Stella - the first Hot and Cold RO+UV water purifier in the country. Having quenched the thirst of billions with its range of water coolers and dispensers for over seven decades, Blue Star now introduces a water purifier for your home that does more than just give pure water. It comes packed with features that let you enjoy hot and cold water so that you can make lemonades, soups and tea at the touch of a button. What's more, it combines advanced technologies - RO+UV - to give you water at its best.
